

Schedule of Accreditation

Issued To

El Farasha Laboratory
2nd Industrial Zone B2
10th Ramadan City-Egypt

Schedule No.: 211014 B

Issue No. (2): May 20, 2016

1st accreditation date : January 9, 2012

Revision No. (1): November 13, 2017

Valid to : January 8, 20

Materials / Products Tested	Types of Test / Properties Measured / Range of Measurements (%)	Standard Specifications / Techniques Used
Flexible Plastic Packaging Materials	Determination of static and kinetic coefficients of friction "C.O.F"	ASTM D 1894:2014 Tensile Testing Machine Manufacturer Tinius Olsen, UK Model H5KS S.N H5KS-1694

"C.O.F" : coefficients of friction
