

Schedule of Accreditation

Issued To

Magdi Mohamed Afifi Factory (NOUVAL)  
Quality Testing Lab (QTL)

Badr city, Industrial zone, Area 1&3, Cairo, Egypt

Schedule No.: 413001B Issue No. (2): September 19, 2017 1<sup>st</sup> accreditation date: September 13, 2013 Revision No. (-):

Valid to : September 12, 2021

Materials / Products Tested	Types of Tests / Properties Measured / Range of Measurements	Standard Specifications / Techniques Used
Electrical appliances	Test of input power and related current	ES 1781:2013 Digital Power Meter SN. G100661CJ7321232
	Test of leakage current	ES 1781:2013 Digital Multimeter SN. 31784033WS Electronic panel voltmeter SN. 7517201267
	Test of dielectric strength	ES 1781:2013 Dielectric strength (AC With stand Voltage tester) SN. 208384
Non stick unreinforced plastics coatings on domestic cookngware	Test of non- stick coating thickness	ES 1481: 2008 Coating Thickness Gauge Model: TT230, SN. 00000399
	Coating resistance testing for abrasion	ES 1481: 2008 EN 12983-1:2004 Reciprocating Abrasion tester Code: 10SCR01
Cutlery and Table house ware Tests	Hardness of knife blades up to 64 HRC	ES 494-2 / 2011 Hardness Tester Model: TH172
		ES 494-1 :2013 SN.: 00000399

Magdi Mohamed Affi Factory (NOUVAL)  
Quality Testing Lab (QTL)

Badr city, Industrial zone, Area 1&3, Cairo, Egypt

Schedule No.: 413001B Issue No. (2): September 19, 2017 1<sup>st</sup> accreditation date: September 13, 2013 Revision No. (-):

Valid to : September 12, 2021

Materials / Products Tested	Types of Tests / Properties Measured / Range of Measurements		Standard Specifications / Techniques Used
	Pressure cookers for domestic use	Test of pressure control device	
	Test of ageing of the bottom	ES 953:2013	Thermocouple with indicator Code: 02810281 Filler Gage Code: ES1301
	Test of gasket ageing	ES 953:2013	Digital pressure gauge SN. 1000049711
	Temperature measurement of the lifting handles	ES 953:2013	Thermocouple with indicator SN. 02810281
	Thickness measurement the of body and lid	ES 1798:2013	Digital micrometer Model: IP54, SN.:070495315 Electronic Depth Caliper S.N.:0112100366
	Thickness measurement of body and lid	ES 1798:2013	Digital micrometer SN. 070495315
Stainless steel cookware	Temperature measurement of the lifting handles	ES 1798:2013	Thermocouple with indicator SN. 02810281
